Anno 2019 – tit. VII cl. 1 fasc. 30

THE RECTOR

Having regard to Rector's Decree Rep. n. 411-2019 Prot. n. 20540 dated May 17th, 2019, published in the Gazzetta Ufficiale n. 42 on May 28th, 2019 by which a selection procedure has been held to recruit **n. 3 fixed-term (3 year) full-time Researchers** in compliance with Art. 24, Par. 3, Letter b) of Italian Law 240/2010 at various Departments;

Having regard to Paragraph 1, Art. 8 of the selection procedure announcement mentioned in the previous paragraph (entitled "Role and Duties of the Examining Board"), which reads: *"In the first session the Board, having determined that in compliance with related laws, no incompatibility factors are present, outlines the preliminary assessment criteria and procedures for selection in compliance with the parameters indicated in Ministerial Decree n. 243, 25 May 2011, and the criteria and specific functions to be carried out by the Researcher."*

The Board also establishes an analytical system to confer points to candidates after preliminary assessment has been completed. The Board then establishes which candidates are admitted to the interview, together with the criteria for testing their English language skills, and Italian language skills for foreign applicants";

Noted that the sentence "... the criteria and specific functions to be carried out by the Researcher" is contrary to what is provided for in Art. 2 of the same announcement, entitled "Admission Requisites and Causes for Exclusion";

Considering that it is necessary to correct the selection procedure issued with Rector's Decree n. 411-2019, Prot. n. 20540 dated May 17th, 2019;
